PLOW SYSTEM
PATENT PROTECTED

GAIN THE EDGE

Using tractors as a seasonal piece of equipment is a waste of money. That's why KAGE Innovation has developed, tested and brought to market the NEW Shadow Blade. Now tractors can be a year-round, useful machine for your landscaping and snow-removal business.

Tractors are efficient, powerful tools that can cut plow times in half when hooked to a Shadow Blade. Consider adding one to your fleet of snow-removal machines.
